Contests for Grades 4, 5, 6, 7, 8, Algebra Course 1, and HS

Our 36th Year (Our Contests Permit Calculators)

The Virginia Mathematics League will again sponsor contests for grades 4, 5, 6, 7, 8, Algebra Course 1, and HS. During the 2012-2013 school year, more than 350 schools participated in our contests. The contests are conducted by mail, so no transportation is involved. Enclosed, on a separate sheet, is a sample contest. OUR WEB SITE, WWW.MATHLEAGUE.COM, HAS PRINTABLE SAMPLES OF EACH CONTEST (and solutions to each contest) as well as our complete rules. Our schedule appears below:

Table with 6 columns: Contest Level, Register By, We Ship In, Eligibility, Contest Date, Contest Fee. Rows include 4th Grade, 5th Grade, 6th Grade, 7th Grade, 8th Grade, Algebra Course 1, and High School.

Late registrations are always accepted as long as supplies last

HS contests are monthly 30-minute, 6-question short answer contests which permit any calculator; a newsletter follows each contest.

† Tentative 2013-14 HS contest dates (& alternate dates) are Oct 15 (22), Nov 12 (19), Dec 3 (10), Jan 14 (21), Feb 11 (18), Mar 11 (18).\*

\* The preferred alternate testing date for each High School Math League Contest is the following Tuesday.

In the event of vacations, testing days, or similar schedule disruptions, schools may ask to conduct the contest on any proximate day. Contests for Algebra Course 1 and grades 4, 5, 6, 7, and 8 are 30-minute multiple-choice contests which permit calculator use.

Your school will receive certificates of merit (enclosed with the contests) for high scoring students on every grade level. For grades 6, 7, 8, and HS contests, we award a plaque to the highest scoring school on each level in each region. For Algebra Course 1 and grades 4 and 5, we give you a book of Math Contests, published by Math League Press, for award to your highest scoring student on each level.

A separate sheet of DETAILED solutions accompanies every contest we sponsor. In addition, after each of the contests for grades 6, 7, 8, and HS, you'll receive a newsletter containing comments and alternate solutions submitted by schools. Each newsletter contains contest statistics.

At www.mathleague.com, learn more about our eighteen books of past contests for grades 4-12. Use the registration form below to order any of these books and/or to register for any of the contests.

A separate registration form should be submitted for each participating school.
